Illustrator CC

To work as a graphic designer, there are many industry standard packages that you'll need to master and Illustrator is one of the most commonly used software programmes.

IS THIS FOR YOU?

The Illustrator course is for anyone who is looking to work as a Graphic Designer, Artist, Web Designer or Web Developer and is suitable for those at beginner level.

ABOUT THE COURSE

Adobe Illustrator is a common programme used by Graphic Designers and artists to create vector images. Our Illustrator training course will help you learn the features and functions of the latest version of the software.

There are five Domains in the Illustrator course:

Domain 1: Working in the Design Industry
Purpose, Audience and Design Plans, Copyright, Permissions and Licensing: Digital Graphics. Design Principles and Best Practices.

Domain 2: Project Setup and Interface
Document Creation and the Application Workspace, Non-Printing Design Tools, Views and Modes, Manage Assets, Colours and Gradients, Libraries and Brushes, Styles and Patterns.

Domain 3: Organising Documents
Use Layers to Manage Elements, Modify Layer Visibility.

Domain 4: Creating and Modifying Visual Elements
Create Raster Elements, Typography, Text, Selection Types, Transform Graphics and Media, Reconstruction and Retouch, Adjust Objects, Effects and Graphic Styles.

Domain 5: Publishing Digital Media
Preparing Images for Export, Export or Save Digital Images.

AIMS AND OBJECTIVES

This Illustrator course is designed to teach you the ins and outs of the new Illustrator software so that you can confidently create illustrations, logos, charts and more.

PRE-REQUISITES

This course is suitable for beginners. No pre-requisites are required.

CAREER PATH

With a suite of Adobe training on your CV you can look towards applying for roles such as Junior Developer or Junior Designer. Further training and experience in the digital industry can lead to careers such as Graphic Designer, In-house Designer, Art worker or ultimately the senior position of Creative Director.
