Photoshop CC

If you're working towards a career as a web designer, then our Photoshop course will give you a great foundation and allow you to fully utilise the features of this highly versatile Adobe image and photo editing software.

IS THIS FOR YOU?

Design and marketing enthusiasts who are keen to develop a specialist skillset in photo and image editing, and creating marketing materials including web design elements such as graphic design and logo creation. This course is also suitable for budding photography enthusiasts.

ABOUT THE COURSE

Having the ability to doctor images and edit photographs is a highly sought-after skill across the marketing and fashion world. Editing images is also a skill used by photographers, and across the corporate marketplace, meaning this is a talent always in demand.

There are five Domains in the Photoshop course:

Domain 1: Working in the Design Industry
Purpose, Audience and Audience Needs, Design Plans, Copyright, Permissions and Licensing, Key Terminology, Basic Design Principles and Best Practices.

Domain 2: Project Setup and Interface
Creating Documents, The Application Workspace, Non-Printing Design Tools, Importing Assets, Colours, Swatches and Gradients, Brushes, Styles and Patterns.

Domain 3: Organising Documents
Use Layers to Manage Elements, Layer Visibility, Destructive vs Non-Destructive Editing.

Domain 4: Creating/Modifying Visual Elements
Raster and Vector Elements, Typography, Selection Types, Refine Selections, Transform Graphics and Media, Reconstruct and Retouch, Filters and Styles.

Domain 5: Publishing Digital Media
Prepare Images for Export, Export or Save Digital Images. Extra Tools.

AIMS AND OBJECTIVES

This course is designed to help you gain the practical skills required to create your own marketing and graphic material, with the option to also take the Adobe Certificate in Visual Design.

PRE-REQUISITES

It would be ideal, but not essential, if you have a basic knowledge of marketing/design elements – speak to your Course Advisor to find out more.

CAREER PATH
